

# 10 Steps to SDA

To help you get started on your path to SDA housing, we have put together this step by step guide...

Specialist  
Disability  
Accommodation

## First, ENQUIRE

**1** Tell us about the SDA you're seeking, your preferred location, who you'd like to live with, and if you have a preferred SIL provider.

**2** Confirm your SDA funding is in place or that you've applied for it.

## Then, VIEW A PROPERTY

**3** Visit one of our properties to see the quality of SDA we deliver and tell us about what is important for you in an SDA dwelling.

**4** Provide feedback and let us know if you'd like to proceed. If a viewing is declined or not possible, we'll move to Step 5 based on your interest.

**5** Sign our consent form or give us verbal consent to obtain, keep, and share information about you.

## Next, PROPERTY SUITABILITY

**6** Send us your Functional Capacity Assessment, Behaviour Support Plan, and any other evidence of your Home and Living needs.

**7** Allow a few days for our assessment, where we'll compare your needs with what our SDA offers you.

**8** Once our assessment is complete, we'll let you know the outcome or if we need more information.

## Finally, YOUR LETTER OF OFFER!

**9** If we're a good match, we'll ask you to accept or decline a Letter of Offer, which confirms we're holding the property for you.

**10** Once you accept the Letter of Offer, we'll assist you and your support team in preparing for the move.
