

# Robust

Specialist  
Disability  
Accommodation

**Robust housing is designed to incorporate a reasonable level of physical access provision and be very resilient, reducing risk and the likelihood of reactive maintenance, minimising disruption for the people living there.**

All Adenium Living Houses are built to Class 3 high level design.

- Contemporary facades
- Choice of wall colour in bedroom
- Modern kitchen
- Kitchen and laundry appliances
- Hard-wearing timber flooring
- Reverse cycle air conditioning throughout
- Built-in wardrobe
- Spacious, fully furnished living and dining area
- Onsite Overnight Assistance (OOA) room
- Private bathroom for each bedroom
- Outdoor undercover area
- Professional landscaping and garden maintenance
- Accessible clothesline
- Fire sprinklers
- Pet considered

**Adenium Living creates Robust houses that are built for long-term living, providing opportunities for people with disability to have a safe, comfortable home that supports them to live their best life.**

**We can help through all stages of finding your home.**
